TWANAS

TWANAS is seeking writers, illustrators, photographers, graphic designers, and copy editors.

TWANAS is a student-run magazine here on campus. We recognize that, in the UCSC community, many students have historically been silenced along boundaries of race, sexuality, citizenship, gender, and class. Our mission is to provide a safe space for students to write about the issues affecting their communities. We actively seek to inform and raise awareness about these issues. In short, we see our publication as activism.
